THE *Everly*

Compositions is proud to introduce an elegant new collection, titled The Everly. The Everly brings true elegance into today's homes. These pieces are useful and functional, but display a timeless beauty. Juxtaposing the look of French curves with contemporary linear lines, these pieces make a statement of grandeur by marrying dark wood with curvaceous scrolls, rich fabrics, and complementary accents for bedrooms, living rooms, or dining areas.

Living

The Everly is about Baroque elegance combined with modern sensibilities. The designs celebrate the use of a range of materials, from the signature Bronzed Ebony finish on all of the wood to the use of radiant gold metals, glass, antique mirrors and fashionable fabrics.

It's the details that make pieces memorable and special, like the use of The Everly's signature scroll, in an array of design treatments for visual variety. Sofas and chairs beckon guests with their deep seats, gracefully curved backs, contrasting pillows and soft button tufting. Accent pieces exude personality by blending materials like curved glass, brushed nickel nails, custom hardware and finely turned legs.

Dining

Sparkling in sunlight and shimmering in candlelight, The Everly lends a large dose of glamour to any dining experience. The dining tables, that seat from 4 to 16 people, afford classic refinement with contemporized flair. Their deep Bronzed Ebony finish perfectly offsets the drama of a double-scroll in Warm Silver that spans the length and width of each table. The tops are rimmed in Warm Silver and sit upon substantial, curved-leg bases that have been detailed and accentuated with carved silver balls. The buffet and sideboard are radiant with their abundance of antique mirrors, arranged in beveled strips so as to retain the generous curves of these pieces. Your guests will dine in comfort on chairs with their tall, tufted backs and flared legs tipped in warm silver ferrules.

Bedroom

Pieces in The Everly exude romance. Beds are tall, dark and handsome with their thin, conically-shaped posts that rise dramatically out of a rich Bronzed Ebony-finished baseboard that is lusciously embedded with creamy ruched silk. An air of striking opulence is created by deeply-tufted silk headboards, outlined in nickel-brushed nails and intricately carved trim.

The richness of this collection extends to the dressers, nightstands and footboard bench, that are finely detailed in Warm Silver scrollwork, antique mirrors, turned legs, and silk tufting.

CARING FOR YOUR

Furniture

WOOD

- Avoid prolonged exposure to direct sunlight.
- Wipe up spills immediately.
- Direct contact with petrochemical products, (nail polish remover, alcohol, etc.) will damage the finish. Wipe up any spills or dampness on your furniture immediately. Use a clean cloth and wipe with the grain of the wood. First, wipe with a soft cloth dipped in a mild soap and water solution and wrung out; wipe again with a second clean cloth; then dry thoroughly with a third cloth.
- Rubber lamp bases, lamp cords and some types of plastic materials may soften and injure the finish if left in direct contact with the furniture for an extended period of time. To avoid this, place a piece of felt or leather under these materials where they contact the furniture.

ANTIQUED BRASS AND METAL

- Maintain with regular dusting.
- Clean with mild soap and water, dry thoroughly –do not use with a brass cleaner.
- Wipe up spills immediately.
