Clean and simple geometry built upon well-defined shapes takes centre stage in this month's selections

1. ROUNDED OUT Busetti Garuti Redaelli's totem-pole shelves for Calligaris keep things in sight while using as little space as possible. Available at Calligaris.

2. WORKING COMFORT Caracole's classic Architect's Chair is an excellent addition to one's workplace or even a home office. Available at Dexterton.

3. PRACTICAL MAGIC More than just a nightstand, FIAM's Magique side tables also serve as storage for books or knick-knacks. Available at Furnitalia.

4. DREAM DESK Any writer would be happy to work at Roberto Lazzeroni's beautifully contemporary Paperweight desk which has ample storage for pens, pencils, and notepads. Available at Kuysen.

5. IN THE CLEAR Italian designer Piero Lissoni's Greene glass sliding doors add minimalist chic to a room. Available at Focus Global Inc.
